SPACIOUS BUILDING PLOT NOT FAR FROM THE SEA

Fažana

183,990 €
230 €/m^2

Fažana is a beautiful small fishing village located in the southwest of Istria opposite the Brijuni National Park, and in the last few years it has been famous as one of the top tourist destinations in Croatia, thus attracting a large number of visitors, and it is also suitable for investments with a short time return .

Right in the municipality of Fažana, in a very quiet location, there is this spacious construction plot of 800 m^2, rectangular in shape. The land is located in an excellent location in a very quiet part of the village, 1150 meters from beautiful beaches and very close to all amenities, parks, shops, bars, restaurants, beaches. The land is flat, has a well-maintained access road of adequate width, electricity and water connections are located in the immediate

vicinity of the land since there is a lot of construction around it, and it is located at the end of the street on a small hill.

Due to its location, surface and shape, this plot of land represents a unique real estate and offers a handful of possibilities to the future buyer in terms of building a facility for renting out hospitality and a very quick return on investment or building a facility in a very nice location for everyday life.
