ATTRACTIVE BUILDING LAND WITHIN WALKING DISTANCE TO THE SEA

Pomer, Medulin

320,000 €
626 €/m^2

The municipality of Medulin is located in the very south of the Istrian peninsula, once a small fishing village, today it is one of the most desirable tourist destinations in Croatia. In the area of the municipality of Medulin, in one of the most attractive parts is the settlement of Pomer, which invests in its facilities and infrastructure year after year and is becoming more and more desirable for year-round living or a very desirable destination for business investment.

Right in Pomer, just a few meters from the sea, is this building plot of 511 m^2 with a beautiful sea view. The plot is rectangular in shape, with a neat access road from the asphalt road, which makes planning and construction easier. The maximum floor plan is 30% with a

maximum height of 6 m and one underground floor is allowed, providing the possibility of building a detached family home or a smaller residential building, and all the necessary infrastructure is located on the plot itself. An ideal opportunity for investment or building a holiday home in the immediate vicinity of the coast. There is also the possibility of purchasing a larger area.

The mentioned land represents a very interesting real estate due to its prestigious location, orientation, surface area and wonderful view of the sea, and it offers the future owner the opportunity to build facilities as desired, whether for year-round family housing or facilities for business in terms of further sales or for engaging in the hospitality business of renting, and a very quick return of invested funds.
