

## DETACHED TWO-STOREY HOUSE WITH POOL IN A QUIET LOCATION

 Lobarika, Marčana

 **465,000 €**  
3,577 €/m<sup>2</sup>

The Istrian region is considered one of the most suitable regions for living, and offers many natural beauties supported by a warm Mediterranean climate and a very friendly local population. In Istria, on the southeastern part of the coast, the Municipality of Marčana is located, which covers a very large area of the coast, and over the years has been investing in its infrastructure and content, and is becoming increasingly interesting for investors because of its beautiful beaches and ports, and the Istrian style itself.

It is in a settlement called Lobarika within the Municipality of Marčana that the aforementioned high-quality two-story house with a total area of 130 m<sup>2</sup> is located, and it

consists of a bright living room with access to a covered terrace equipped with a barbecue and a dining table, a quality kitchen with a dining area, and a guest toilet. An internal staircase leads to the second floor, where there are two fully equipped bedrooms with access to a balcony, as well as two bathrooms. The house was built in 2008 and was completely renovated in 2018. It has access from an asphalt road with three secured outdoor parking spaces and a garage. PVC and wooden joinery is installed throughout the building, the heating and cooling system is regulated by air conditioning and a wood-burning stove located in the living room, while the floors are covered with quality parquet and ceramics.

The aforementioned property represents a very interesting opportunity given its area, quiet location, equipment and price. The house can be used either for family life or for tourism, which would certainly speed up the return on investment.
