

EXCLUSIVELY SPACIOUS FAMILY HOUSE SURROUNDED BY NATURE

 Filipana, Marčana

 **372,000 €**
1,240 €/m²

The municipality of Marčana is located in the southeast of Istria, near the city of Pula. This area is characterized by picturesque landscapes, agriculture and tourism, especially in the coastal areas along the Adriatic Sea. Marčana is known for its rich cultural heritage, tradition and preserved old stone houses. Due to its proximity to Pula and other tourist destinations, the municipality is increasingly popular among visitors, and also offers a peaceful life for family communities.

This beautiful family house is located in a peaceful environment in the area of the Filipana Municipality, which extends over three floors, with a total area of 300 m². The ground floor of

the property consists of an entrance hall, a comfortable living room with an open kitchen and dining area, as well as two bedrooms and a bathroom. Each floor has a floor area of 100 m². On the second and third floors there are two spacious bedrooms and a bathroom. Most of the house has central heating, while the most commonly used heating is via wood-burning stoves and air conditioning units. The joinery is PVC and wooden with quality shutters, while the floors are covered with ceramic and laminate. On each floor you can organize the space according to your own wishes. The auxiliary building is a garage of approximately 50 m² as well as a cozy and well-designed tavern. A quality and spacious yard also adorns this property.

The aforementioned property, considering its location, area and price, represents a very interesting investment for the future buyer of the facility and enjoyment of it in terms of family life or for an investment for tourism, which would certainly accelerate the return on investment.
