

# LUXURY PENTHOUSE WITH A VIEW OF THE BRIJUNI ARCHIPELAGO

📍 Štinjan, Pula

🏷️ **390,000 €**  
3,277 €/m<sup>2</sup>

In the very south of the Istrian peninsula is a small ancient Roman town called Pula. Pula is rich in its heritage and old Roman infrastructures and legacies that give it a special atmosphere when enjoying this beautiful city, which has gradually become one of the leading tourist destinations in Croatia in the last ten years.

This high-quality new penthouse from a proven investor with a total of 4 residential units is located in Štinjan. This apartment is located on the second floor and has an area of 119 m<sup>2</sup> with one parking space. The apartment consists of an entrance hall, a very spacious and comfortable living room connected to the kitchen and dining room of the open space concept

of 54 m<sup>2</sup> in which a sliding glass wall with electric shutters will be installed through which access to the loggia will be provided, three comfortable bedrooms with extremely large living openings and two bathrooms. Also, one bedroom has an exit to the loggia. The building itself is equipped with reinforced load-bearing walls as well as a fire wall between the properties, and 10 cm thick thermal insulation is planned. The heating and cooling system is planned to be regulated by an air conditioning unit, and underfloor heating will be implemented throughout the building with thermostats in each room. The apartment will also be equipped with high-quality PVC joinery in anthracite color, triple-glazed glass with 9 gas chambers.

The aforementioned property represents a very interesting opportunity given its quality construction and materials used, thus providing the future buyer with the opportunity to either live in a family home in a quiet location and yet be close to all the amenities necessary for everyday life, or to engage in tourist rental, which would certainly accelerate the return on investment.
