In the heart of green Istria, in the municipality of Svetvinčenat, known for its authenticity, tradition and growing interest from investors, lies the peaceful and charming settlement of Klarići - ideal for escaping the hustle and bustle of the city, but also for smart investment in the future.

In this attractive location, we offer land with a total area of 2 324 m². The plot has a relatively regular shape, which allows for easier planning and organization of future facilities. The terrain is relatively flat, which further facilitates access and cultivation, and is mostly covered with macchia, giving it a natural, untouched character.
