Pula is one of the oldest cities on the Adriatic, located in the very south of the Istrian peninsula. The city combines a rich history, crystal clear sea and a vibrant cultural scene, making it attractive to tourists all year round.

This modernly decorated 31 m² apartment is located in the very center of the city, on a practical mezzanine between the ground and first floors, providing the perfect balance between accessibility and privacy. The apartment is cleverly arranged and includes a cozy living room, a separate bedroom, a functional kitchen and a neat bathroom.

The interior is decorated in a contemporary style, with an emphasis on comfort and maximum use of space. The living room and bedroom have high-quality laminate flooring that adds warmth to the space, while the kitchen and bathroom are equipped with modern ceramics. Air conditioning ensures a pleasant temperature throughout the year.
