ATTRACTIVE AGRICULTURAL LAND IN POMERO

Pomer, Medulin

96,300 €
35 €/m^2

Medulin is one of the most famous tourist destinations in southern Istria, located not far from Pula. It is known for its indented coastline, well-maintained beaches and a rich offer of facilities, which makes it extremely attractive for living and vacationing throughout the year.

In Pomer, a plot of land with a total area of 2746 m^2, in a regular rectangular shape, is for sale. The land is currently overgrown with tall vegetation, but with minimal landscaping, it provides an excellent basis for further planning and use. The access road to the land is neat, which further facilitates future activities on the ground.

ID: 3329

Thanks to its area, shape and good connectivity, this property represents an interesting investment opportunity. It is ideal for buyers looking for land with potential that they can landscape and adapt to their own needs.
