

## STONE HOUSE WITH SPACIOUS YARD

 Filipana, Marčana

 **122,900 €**  
768 €/m<sup>2</sup>

The County of Istria is famous as one of the most suitable regions for life, and offers many natural beauties supported by a warm Mediterranean climate and a very cordial resident population. In Istria, on the southeastern part of the coast, the municipality of Marčana is located, which covers a very large area of the coast, and year after year it invests in its infrastructure and content, becoming more and more interesting for investors due to its beautiful beaches and harbors, and the Istrian flair itself.

In a small settlement not far from Marčana there is this interesting stone house - old. The surface of the house is 160 m<sup>2</sup> on three floors, while the surface of the garden is 400 m<sup>2</sup>. Electricity and water connections are located on the plot, while the hydrant is next to the

property itself, as is the sewage connection. The access road is from an asphalted road. The orientation of the house is ideal, southwest. The property needs a complete renovation, which gives the future owner the opportunity to adapt it the way he wants.

This property represents a very interesting property in a very quiet location, which offers the future owner the possibility of adaptation in the way he wants for the needs of family life and, according to his wishes, offers the possibility of engaging in the catering business, renting it out and a faster return on invested funds.
